

2014 Construction Forecast

Brought to you by ABC and presenting sponsor:

The 2014 Economic Forecast reviews the events of the past several years and examines emerging trends at the national level, and will be followed by a highlight of the economy in Colorado and Metro Denver.

Thursday, April 17, 2014 • 7:30 - 9:30 AM • Registration fee: \$50 includes breakfast
Hyatt Regency Convention Center • 650 15th St., • Denver, CO 80202

Keynote Speaker: **Anirban Basu, ABC's Chief Economist**

Anirban Basu, ABC's Chief Economist, will share his insight on how the economy has and will impact Colorado's construction industry, including his forecast for the remainder of 2014. This will be essential planning information for our industry's decision makers - a "must attend" event.

Why you should attend:

- Hear what the federal economic recovery means for Colorado contractors.
- Discover the ongoing improvements in economic conditions including performance of financial markets, labor markets, corporate profits, and business spending.
- Learn why the national economic indicators are vital to Colorado's construction industry.
- Understand trends characterizing financial, real estate, energy and labor markets.
- Plan how your company will prepare for future economic cycles in a global economy.
