So that we may better serve the community and as a condition to participation in this event, we request that all employers report back to the Workforce Center the number of individuals who were successfully hired (either full or part time) as a result of this job fair event.

We strive to provide Colorado employers with professional events like this that are mutually beneficial to the hiring needs of industry and those seeking employment. Let us know if you would like to meet with a Business Development Representative who can review all the business services that are available to area employers.
