

# 2020 IECRM Summit Awards Nomination Form

It's time for the Annual IECRM Summit Awards! These prestigious awards recognize excellence in the electrical, construction, solar, low voltage and renewable energy fields.

Please submit your nominations using this simple online form. You will be asked to complete information regarding the project, company or individual being nominated, and will have the opportunity to upload supporting documents in addition to the written summary of the award nomination.

You may print a .pdf of the online form to help prepare your submission. Click the following link to download printable .pdf:

<https://iecrm.org/wp-content/uploads/2020/01/2020-IECRM-Summit-Awards-Nomination-Form.pdf>

Please Note: All nominations must be completed and submitted online.

A company may submit more than one entry or nomination, and in more than one category, but must complete a separate Entry Form for each submission.

All projects must have been COMPLETED between March 1, 2019, and March 1, 2020. There is no geographic limitation on the location of the project submitted. Entries must be made by an IECRM contractor member or industry partner in good standing.

Nominations will be accepted until 11:59 pm on Tuesday, March 31, 2020.

\* Required

## Electrical Project Awards:

---

Nominate your company's project for excellence in:

- Residential Construction
- Commercial Construction
- Industrial Construction
- Energy Efficiency and Green Construction
- Low-Voltage/Limited Energy Systems

Multiple awards are distributed in each category. There is no project too large or too small. All project sizes welcome and encouraged for submission.

## Company & Individual Awards:

---

Nominate an individual or company for excellence in:

- Electrical Service Award
- Project Manager of the Year
- General Contractor of the Year
- General Contractor Project Manager/Superintendent of the Year
- Workforce Development Award
- Community Service Award
- IECRM Member & Industry Partner Collaboration Award
- Electrical Industry Innovation Award

**1. I'm nominating for (select one): \***

*Mark only one oval.*

- An Electrical Project Award      *Skip to question 2.*
- A Company / Individual Award      *Skip to question 3.*

## **Electrical Project Awards:**

Nominate an electrical construction project that demonstrates excellence in the categories of residential, commercial, industrial, solar, low voltage, energy efficiency, and/or green construction. Multiple awards will be distributed in each category based on project size. No project is too big or too small. All project sizes welcome and encouraged for submission.

**2. Electrical Project Categories (select one): \***

*Mark only one oval.*

- Residential (includes single family and multi-family including senior housing facilities)  
*Skip to question 4.*
- Commercial (includes office buildings, institutions, banks, restaurants, retail facilities, churches, outdoor lighting, etc.)      *Skip to question 6.*
- Industrial (includes manufacturing, utilities, processing, transportation, warehouses, etc.)  
*Skip to question 6.*
- Energy Efficiency/ Green Construction (a project that demonstrates innovation, new ideas, and success in energy-efficient or green building construction)      *Skip to question 5.*
- Low-Voltage/ Limited Energy Systems Construction (a project that exhibits innovation, features, quality, and overall excellence)      *Skip to question 7.*

## **Company & Individual Awards**

Each year IECRM recognizes companies and individuals for excellence in the electrical, construction, solar, low voltage and renewable energy fields. Nominate a company or individual that has made outstanding contributions to the industry in a category listed below.

**3. Categories (select one): \***

*Mark only one oval.*

Electrical Service Award - An IECRM Electrical Contractor company with a service department that exhibits innovation, quality, and overall experience. *Skip to question 31.*

Project Manager of the Year - An individual electrical or renewable energy Project Manager who has demonstrated outstanding performance in the field over the past year. *Skip to question 34.*

General Contractor of the Year - Nominated by IECRM members, this award is presented to a General Contractor that demonstrated efficiency, reliability, accuracy, stability, and fairness on the job site and among trade partners. *Skip to question 37.*

Workforce Development Award - This award recognizes an IECRM member company that demonstrates leadership in the workforce development and recruitment of the next generation electrician including women, minorities, veterans, under-represented or under-served populations. Nominees will be recognized for initiatives that promote a diverse and inclusive culture in the overall workplace including outreach, recruitment, employment, training, and retention. *Skip to question 47.*

Community Service Award - This award is presented to a company or individual that demonstrates leadership in community involvement, industry advocacy, volunteer work and/or results in impactful change for the industry or community. *Skip to question 44.*

Contractor Member & Industry Partner Collaboration Award - An IECRM Industry Partner and IECRM Electrical Contractor are recognized for their outstanding partnership, contributions and collaboration on a special project, or for consistently demonstrating excellence together in the electrical industry. *Skip to question 50.*

Electrical Industry Innovation Award - An IECRM Electrical Contractor or IECRM Industry Partner is recognized for bringing an innovative business solution, workplace practice, product or technology that benefits or enhances the electrical industry. *Skip to question 55.*

## **Residential Categories**

Nominate a residential electrical construction project that demonstrates excellence in the industry.

**4. IECRM 2020 Summit Awards: Residential Construction Categories (select one): \***

*Mark only one oval.*

Single family residence (including new construction or renovation) *Skip to question 7.*

Multi-family residences up to 3 stories, including senior housing facilities *Skip to question 7.*

Multi-family, mid-rise buildings 3 + stories *Skip to question 7.*

## **Energy & Green Categories**

Nominate a project that demonstrates excellence in energy efficiency or green construction.

**5. Energy Efficiency and Green Construction Categories (select one): \***

*Mark only one oval.*

Energy Efficient Retrofit – any previously constructed building (residential, commercial, or industrial) that has been retrofitted for energy savings and reduced energy consumption. *Skip to question 7.*

LEED Approved Construction – any new project (residential, commercial, or industrial) in which a majority of power usage is designed for energy savings and reduced consumption. Include LEED classification and performance benchmarks in key LEED areas. *Skip to question 7.*

Power Generation – any new or retrofit project that can demonstrate a greater power generation-than-usage ratio (i.e. wind farm, solar collector, etc.). Include: How were old materials recycled? What are the documented energy savings? How long until ROI is achieved? *Skip to question 7.*

*Skip to question 7.*

## Project Size

IECRM recognizes excellence in electrical projects. Awards are distributed based on project size. No project is too big or too small. All project sizes welcome and encouraged for submission.

**6. Please select the range of your project size: \***

*Mark only one oval.*

Electrical Contract under \$2 Million *Skip to question 7.*

Electrical Contract \$2 Million - \$6 Million *Skip to question 7.*

Electrical Contract \$6 Million - \$10 Million *Skip to question 7.*

Electrical Contract greater than \$10 Million *Skip to question 7.*

## Award Recipient Company Information

**7. Company Name: \***

---

**8. Primary Contact First Name: \***

---

**9. Primary Contact Last Name: \***

---

**10. Primary Contact Phone: \***

---

**11. Primary Contact Email: \***

---

## Project Information

12. **Name of Project:** \*

---

13. **Project Location (City/State):** \*

---

14. **Name of Client:** \*

---

15. **Name of General Contractor (type N/A if not applicable for this project)** \*

---

16. **Project Completion Date:** \*

---

## **Project Description & Details**

---

Please include the scope of work and any innovative aspects of the project or programs relating to management, safety, quality control, environmental consideration, green features, scheduling, value engineering, etc. Please provide a thorough description of the project. Consider: What makes it stand out? What is innovative?

17. **Describe the project briefly.** \*

---

---

---

---

---

18. **Describe the scope of work.** \*

---

---

---

---

---

19. Describe the management of the project (safety, budget, timeline, waste minimization, etc.). \*

---

---

---

---

---

20. Describe what makes this project stand out. \*

---

---

---

---

---

21. What were the unique job conditions and challenges that presented themselves with this project? \*

---

---

---

---

---

22. How were these challenges overcome? What innovations were developed to succeed? \*

---

---

---

---

---

### **Project Photographs Required \* (3 min - 6 max)**

---

Please email a minimum of three (3) and maximum of 6 photographs to [nominations@iecrm.org](mailto:nominations@iecrm.org). JPG format the photos is preferred. Videos will also be accepted.

23. How will you identify your project photos in the email subject line? \*

---

### **Supporting Documents (optional)**

---

Please email relevant supporting materials, such as references, diagrams, marketing/promotional materials, media coverage, project endorsements, videos, [etc.to nominations@iecrm.org](mailto:nominations@iecrm.org).

24. **How will you identify your supporting documents in the email subject line? \***

---

*Skip to question 63.*

## **Individual Award Recipient Information**

25. **First Name:**

---

26. **Last Name:**

---

27. **Job Title:**

---

28. **Company: \***

---

29. **Phone: \***

---

30. **Email: \***

---

*Skip to question 63.*

## **Electrical Service Award**

Nominated by IECRM members, this award is presented to an IECRM Electrical Contractor with a service department that exhibits excellence in innovation, quality, and overall experience.

31. **Describe how this company exhibits excellence in quality, innovation, and experience. \***

---

---

---

---

---

32. Describe what sets apart the company or service department from its competitors. \*

---

---

---

---

---

33. Email supporting materials, such as letters of recommendation, policies, endorsements, testimonials, customer survey data or social media results, videos, etc. to [nominations@iecrm.org](mailto:nominations@iecrm.org) and describe how you will identify these materials in the subject line of your email below (Optional)

---

*Skip to question 63.*

## Project Manager of the Year

Nominated by IECRM members, this award is presented to an individual electrical or renewable energy Project Manager who has demonstrated outstanding performance in the field over the past year.

34. Describe how this Project Manager has demonstrated outstanding performance in the field over the past year. \*

---

---

---

---

---

35. Describe how this nominee helps elevate the electrical industry. \*

---

---

---

---

---

36. Please email supporting materials, such as letters of recommendation, resumes, videos, etc. to [nominations@iecrm.org](mailto:nominations@iecrm.org) and describe how you will identify these materials in the textbox below (Optional)

---

*Skip to question 25.*

## General Contractor of the Year

Nominated by IECRM members, this award is presented to a General Contractor that demonstrate efficiency, reliability, accuracy, stability, and fairness on the job site and among trade partners.

**37. Annual Revenue**

*Mark only one oval.*

- Annual revenue up to \$25 million
- Annual revenue greater than \$25 million

**38. Describe how the GC demonstrates efficiency, reliability, stability, and fairness on the job site and among trade partners. \***

---

---

---

---

---

**39. Describe how the GC elevates or values the electrical industry, their community, or IECRM. \***

---

---

---

---

---

**40. Email supporting documents such as a company profile, references, letters of recommendation, endorsements, portfolios, videos, etc. to [nominations@iecrm.org](mailto:nominations@iecrm.org) and describe how you will identify these materials in the textbox below (Optional)**

---

*Skip to question 63.*

## **General Contractor Project Manager / Superintendent of the Year Award**

Nominated by IECRM Members, this nominee exhibits exceptional project management skills, professionalism, and work ethic in oversight of projects led by a General Contractor

**41. Describe how this nominee demonstrates exceptional project management skills, professionalism, and work ethic. \***

---

---

---

---

---

42. Describe how this nominee helps elevate and value the skilled trades industry. \*

---

---

---

---

---

43. Email supporting documents such as letters of recommendation, resume, endorsements, videos, etc. to nominations and describe how you will identify these materials in the subject line of your email below (Optional)

---

*Skip to question 25.*

## **Community Service Award**

Nominated by IECRM members, this award is presented to an IECRM company or individual that demonstrates leadership in community involvement, industry advocacy, volunteer work and/or results in impactful change for the industry or community.

44. Describe how the nominee demonstrates leadership in community involvement, industry advocacy, and/or volunteer work. \*

---

---

---

---

---

45. Describe the programs, services, initiatives or outstanding contributions the nominee is involved with that serves the industry or their community. What impact or results are realized? \*

---

---

---

---

---

**Email supporting documents, such as letters of recommendation, media and marketing materials, endorsements, videos, etc. to [nominations@iecrm.org](mailto:nominations@iecrm.org) (Optional)**

---

46. Please describe how you will identify these materials in the email subject line the textbox below

---

---

---

---

---

*Skip to question 63.*

## **Workforce Development Award**

This award recognizes an IECRM member company that demonstrates leadership in the workforce development and recruitment of the next generation electrician including women, minorities, Veteran's, under-represented or under-served populations. Nominees will be recognized for initiatives that promote a diverse and inclusive culture in the overall workplace including outreach, recruitment, employment, training, and retention.

47. Describe the workforce development programs, services, outreach or initiatives the nominee provides to recruit, hire, train, and retain a diverse and inclusive workforce. How and/or why has the nominee had success? \*

---

---

---

---

---

48. Describe how the nominee demonstrates leadership in the company, in the industry, and/or the community to promote workforce development and awareness of opportunities for the next generation electrician. \*

---

---

---

---

---

49. Email supporting documents, such as policies, employee support information, company data, marketing materials, letters of recommendation, videos, etc. to [nominations@iecrm.org](mailto:nominations@iecrm.org) and describe how you will identify these materials in the email subject line below (Optional)

---

*Skip to question 63.*

## **Contractor Member & Industry Partner Collaboration Award**

An IECRM Industry Partner and IECRM Electrical Contractor are recognized for their outstanding partnership, contributions and collaboration on a special project, or for consistently demonstrating excellence together in the electrical industry.

**50. Collaborating Company Names (two or more IECRM member and industry partner companies). \***

---

---

---

---

---

**51. Names and titles of the lead collaborators at each of the member and industry partner companies. \***

---

---

---

---

---

**52. Describe the project, products, solutions, or services provided by the nominees working together in partnership. What results were achieved that made a beneficial impact for your companies and the electrical industry. \***

---

---

---

---

---

**53. Describe how the nominees demonstrated excellence in collaboration. \***

---

---

---

---

---

**54. Email supporting documents, such as company/ project data, company profile, letters of recommendation, endorsements, videos, etc. to nominations @[iecrm.org](mailto:iecrm.org) and describe how you will identify these materials in your email subject line below (Optional)**

---

*Skip to question 64.*

# Electrical Industry Innovation Award

An IECRM Electrical Contractor or IECRM Industry Partner is recognized for bringing an innovative business solution, workplace practice, product or technology that benefits or enhances the electrical industry.

55. Describe the innovative business solution, practice, product or technology the nominee provided. \*

---

---

---

---

---

56. Describe how this innovation impacts and/or benefits the electrical industry. \*

---

---

---

---

---

**Email supporting documents, such as company/ project data, company profile, letters of recommendation, endorsements, videos, etc. to [nominations@iecrm.org](mailto:nominations@iecrm.org) (Optional)**

---

57. Describe how you will identify these materials in the subject line of your email below

---

*Skip to question 63.*

## Award Recipient Company Information

58. Company Name: \*

---

59. Primary Contact First Name: \*

---

60. Primary Contact Last Name: \*

---

61. Primary Contact Phone: \*

---

62. Primary Contact Email: \*

---

*Skip to question 64.*

## Nomination Info:

63. Are you submitting this nomination on behalf of your own company or another company? \*

*Mark only one oval.*

Myself or my company      *Skip to question 64.*

Another company or individual      *Skip to question 58.*

*Skip to question 25.*

## Nomination Submitted By:

64. First Name: \*

---

65. Last Name: \*

---

66. Company: \*

---

67. Phone: \*

---

68. Email: \*

---

69. If your nomination wins, we need a brief description for the awards ceremony. In just a couple sentences, please summarize what makes the project or individual achievement unique, special, or award-worthy? What would you want to share or have others hear about the impact or success of this project or achievement? (This information will help the awards presenter focus on the key areas that make the nomination the award winner!) \*

---

---

---

---

---

70. If your nomination wins, what would you recommend for the awards ceremony "walk-up" song?

---
